NYC ASM is an approved provider of continuing education by the ASCLS P.A.C.E ® Program to provide 4.0 CE credits
COURSE OBJECTIVES

After completion of this symposium, participants will:
• Discuss all angles of several controversial topics in infectious diseases
• Identify successes and analyze areas for improvement with regards to testing during the COVID-19 pandemic
• Discuss and understand the importance of biopreparedness & high-level lessons learned from previous, select epidemics.
• Discuss and identify unusual fungi in a case study format including pathogenesis, diagnostic methods & treatment options
